Paralysis

Paralysis Resource Guide. 5th ed., Christopher & Dana Reeve Foundation, 2020. Sam Maddox, author.

www.ChristopherReeve.org/Guide

This guide covers all the types of paralysis and its secondary conditions. It also covers travel, employment, government benefits, military and veterans' benefits, etc. While intended for consumers, some professors of OT and PT have used it as a supplementary textbook for their students. Reeve can supply enough books for each student. The order form for the PRGs can be found at

www.ChristopherReeve.org/Guide.

Physical Medicine and Rehabilitation

Braddom's Physical Medicine & Rehabilitation. Elsevier, 6th ed. 2020. David X Cifu, MD, author.

DeLisa's Physical Medicine & Rehabilitation: Principles and Practice. LWW, 6th ed. 2019. Walter R. Frontera, MD, PhD, Joel A. DeLisa, MD, MS, Bruce M. Gans, MD, et. al, editors.

Spasticity

Spasticity: Diagnosis and Management. Demos Medical, 2nd ed. 2015. Allison Brashear, MD, editor.
